

ADDENDUM FOR STANDARD CONTRACT

Many organizations are now adding a mediation clause in their standard contract. This clause will help to settle many of the disputes that might arise without going through the legal system.

Sample Clause:

If a dispute arises out of or relates to this contract, or the breach thereof, and if the dispute cannot be settled through negotiation, the parties agree first to try in good faith to settle the dispute by mediation administered by a professional mediator before resorting to arbitration, litigation, or some other dispute resolution procedure.
